Dear Sir/Madam,

RE: PENCAK SILAT INTERNATIONAL RANKINGS

The Four Founding Members had the first meeting to discuss on major changes happening for Pencak Silat was on 24 October 2019, in Singapore, when Singapore organized the International Referee-Jury Upgrading Course. Subsequent meetings in Padepokan Jakarta were held on 25 January 2020, 8 February 2020, and 3 March 2020 to finalize and confirm on many matters, which one of it is Pencak Silat International Ranking.

Under the supervision of Asian Pencak Silat Federation (APSIF), and endorsement from the International Pencak Silat Federation (PERSILAT), the Singapore Silat Federation was given the task to do a compilation of 2018 and 2019 Pencak Silat competitions in order to do the ranking for Individual Ranking, Team Ranking, and Ranking Per Event.

The purpose and reason for the ranking is to analyses the results of sports competitions to provide ratings for each team or player, to have a marker for how good an athlete is on an international/world level, and increases participation and competitiveness of the sport locally and internationally.

For future events and games, we will continue to do the rankings for the players.

Together in this letter, I have attached the full explanations to share with you for Pencak Silat International Rankings, and the compilation of the rankings for Pencak Silat events organized in 2018 and 2019.

Should you need further clarification with regards to this matter, please do not hesitate to write in to us, and we will assist your further on the explanation. Thank you!

Yours sincerely,

Dr Sheik Alau'ddin Yacoob Marican, PBM
